A group of students in a classroom are gathered around a wooden desk, looking intently at a tablet computer. One student in a white shirt with a green collar is pointing at the screen. Another student in a white shirt with a blue collar is also looking at the screen. A student in a bright pink t-shirt is leaning in from the right. In the background, other students are visible, some wearing white shirts and others in pink shirts. A name tag on the desk reads "香港慕光英文書院 簡展鵬".

Therefore, we seized the time and took a few more photos with them. Boys in our class also exchanged their school uniforms with them!! It's really unforgettable. As everyone were getting more familiar with each other, the teacher came to say they should walk back to their seats. Reluctantly, we returned to the seat. They were about to leave our school. As what we greeted them at the beginning, we walked them to the school main gate. To our surprise, they took out small gifts and sent it to us. Last but not least, we had a big warm hug.

鼓山, 羽衣魂, 集結!  
Gushan & Hagoromo

我們抓緊時間和他們多拍幾張照片, 男生們還和他們交換校服拍照呢! 在大家越來越熟的時候, 老師就跑來跟我們說回座位囉~ 我們依依不捨的回到座位, 他們準備要離開鼓中了, 我們像一開始迎接他們一樣, 到門口歡送他們, 他們走出去時, 還拿著小禮物給我們, 還送我們一個大大的擁抱。

Although there's only half a day for their visiting, we're so happy to meet them and hope that they will come to visit us next time.  
雖然他們只有來半天的時間, 但很高興能認識他們, 希望他們下次還能來。

We taught everyone the classical gesture from Wackyboy.

I gave my first princess hug (a.k.a. Arm Carry) to..... A BOY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!  
第一次的公主抱  
居然是 男的!!!!!!!!!!!!!!!!!!!!!!

Saying goodbye to new friends is always sad. But we are sure that 與新朋友道別很悲傷 we will keep our FRIENDSHIP alive. 但我深信 羽衣&鼓山 會友誼長存!

If you reverse the word "Gushan," you will get "Hagoromo." It is really cool. 好厲害喔, 真的倒過來是羽衣

老師的哥哥居然是日本人  
老師名字叫鄭凱鴻  
哥哥的名字叫田中純一郎! ?  
The teacher's brother is actually a Japanese.  
The teacher's name is Vic.  
His brother's name is Tanaka Junichiro! ?

After we were seated, teachers from Gushan and Hagoromo Gakuen Senior High School started to have their opening speeches. In addition, our Gushan Guess Club and some of their students gave us wonderful dancing performance.

我們入座後，鼓中和羽衣高校的校長老師一一致詞，我們的康輔社及羽衣高校的學生還上台表演舞蹈。

After the opening ceremony, we took them to have cultural experience course. Our class is responsible for the first group of Japanese students. Our first period of class is PE class. Each student at Gushan picked a Japanese student to be the partner. We not only played basketball but also played the game called tag(Ghost Catching). Some boys even took them to the basketball court to play 3 on 3 basketball game with their boys. As for girls, we took photos in the activity center and exchanged our contact information.

剩下的時間讓我們帶他們去體驗課程，我們班帶的是第一組，我們跟他們一起上體育課，我們一人找一個日本學生當夥伴，玩了籃球，大家還一起玩了鬼抓人，我們學校的男生還跟羽衣的男生去籃球場打籃球，女生和我們在活動中心內拍照留紀念，還交換了聯絡方式。

Happy hours always go very fast. It's time to farewell. They were going to leave our school. 歡樂時光總是過得特別快，一下子就到了集合時間，也就是他們要離開鼓中的時間到了。

Today is the day our school and Hagaromo Gakuen Senior High School were going to sign the contract of sister school. After our morning training exercise, we 509 class arrived at the activity center before 8:00, and we were ready and excited to welcome them. At the very beginning, we lined up at the school main gate, waiting for a long time. While waiting for their arrival, we started taking a selfie. As soon as we saw them walking into the school, we gave them rounds of warm applause.

we are the students of Nagoya commercial high school.  
Now, we will introduce about our school.  
Our school is located in Nagoya City.  
Nagoya City is famous for Nagoya castle, TV tower and so on.  
In addition, Nagoya has many delicious foods for example, misokatsu, and takoyaki.  
This is photo of old our school building.  
Our school has many facilities.  
Such as school lounge, office work laboratory, multipurpose hall, gym, science room.  
We have different uniforms in summer and winter.  
Especially, the summer school uniform is famous for its cute among other high school students.  
We also prefer summer to winter. What do you think?

## 第22回ワールドユースミーティング 初のオンライン開催

今年度で満期を迎える文部科学省後援事業・ワールドユースミーティング(WYM)が1月26・27日(オンライン)で開催された。WYMはICET(国際インターネット教育)と国際的な学生で準備を行い、日本で対面の国際プレゼンテーションを行う。今年度は対面プレゼンテーションを実施することができず、初のオンライン開催となった。ビデオ視聴を取りながらディスカッションがなされた。主催はWYN実行委員会、日本福祉大学、立命館大学。WYNの取組はNew Education Expo オンラインで報告がある(関連4面)。

タスクを通して  
他国を知る

今年度は、大会当日は12か国、42チームが参加。すべてのチームが日本と各国で構成されており、WYMは、イストラクシオナルサイエンス(Based Instruction) ホンガ、フィリピンなど、アジアを中心に臨んだ。今回のテーマは「SDGs」。「世界の教育を改善するために何が出来るか」を考えた。発表はNew Education Expo

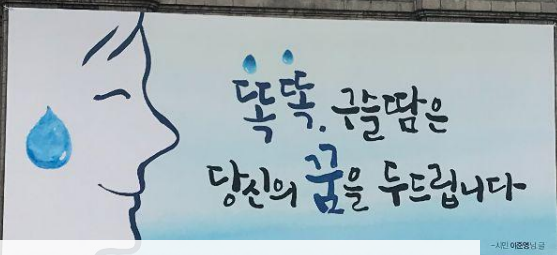

年の小宮山さんは「協働プレゼンテーションの練習の機会がなかった。論議の構築に圧倒され、相性も合わなかった。カンボジアのイメージが変わった」と語った。

事前準備の葛藤が  
貴重な学びに

事前準備は「学習の機会」「葛藤の機会」となる。LINEやZoomを駆使し、生徒・学生の自由な会話の中で、プレゼンテーションを作り上げた。国際的な連携を20年にわたり積み重ねられていることもあり、オンラインでもコラボレーションはスムーズに進み、「話すスピード」や「キーボードの扱い」などにも工夫を凝らす。バキスタンの学生は、国として10分は遅延でありSDGsのテーマにはならないという厳格も生まれた。

アンケート「web回答?」(Web回答?)という。WYMではこれまでの実践を書籍「ICET英語プレゼンテーション」としてまとめている。
